RELEVANT EXPERIENCE

Friends of Transit 16th Annual Conference, Phoenix, AZ

First Place Team in Student Design Competition, February, 2018

- Industrial designer and team leader role in an interdisciplinary team of three people
- Identified existing problems within transit in Phoenix/Tempe
- Researched focusing on design for equity and universal design
- Observed unique user experience perspective to gather user needs
- Developed innovative and inclusive potential design solutions

WORK EXPERIENCE

Gangnam BBQ, Mesa, Arizona

Server, June 2018 - August 2018

- Took orders and served food while frequently checking in with customers, ensuring the best quality experience.
- Utilized Korean in client interaction as well as front of house interactions on demand.
- Maintained daily health and safety standards by routinely monitoring and cleaning the kitchen, bathrooms and dining areas.

BASIS Schools, Tucson and Phoenix, Arizona

Events Photographer, May 2017

- Responsible as the lead photographer for BASIS Schools' first series of alumni reunions.
- Compiled individual class photos as well as candid, memorable shots of event proceedings.
- Communicated directly with the director of alumni relations to ensure company standards of all photos.
- All photos were taken on a CANON 600D DSLR. Interchanged between a 18-55mm lens and a 50mm lens.
- Total of 300+ photos taken of all events. Edited all photos on Lightroom.

GradImages, Tempe, Arizona

Photography Assistant, December 2015

- Assisted photographers during multiple graduation ceremonies at Arizona State University.
- Assisted all graduates to proper placements for all photos captured during the ceremonies.
- Helped with photography station set ups as well as post event clean up and maintenance.
